NOVEMBER 15, 1863.

BOARD OF INSPECTORS OF GOVERNMENT HOSPITALS AND MILITARY PRISONS.

The Secretary of War has appointed Messrs. James C. Wetmore, of Ohio, Gardner Tufts, of Massachusetts, W. Y. Sellick, of Wisconsin, A. C. Chester, of Illinois, and J. C. Rafferty, of New Jersey, a Board of Inspectors of Government Hospitals and Military Prisons in the District of Columbia, with full power to apply correctives to such abuses as they may discover. The committee are to act with compensation from the Government.

This Board is established because of the frequency of complaints of mismanagement and injustice in the hospitals. In a word, the Board is established to protect the soldier who may be an inmate of our hospitals from outrage by their superiors and others, and if it shall have the effect of exposing and remedying any evils that may exist, the wisdom of the appointment will be vindicated, and from the character of the gentlemen composing the Board we have reason to hope that such will be the case. That evils exist in some quarters is unquestionable.

Important Railroad and Mail Changes.
On Monday next, 22d inst., a general change in the schedules between New York and Washington occurs.

Four daily trains, at improved speed, will run in each direction for through travel and mails, leaving Washington at 8 and 11:30 a. m., and 8 and 8:30 p. m.

Leave New York at 8 and 10 a. m., and 7:30 and 12 p. m.

One or two of these trains, each, will pass through Philadelphia, without change of cars between Jersey City and Washington. Before the 1st of January, all the trains—both freight and passenger—are expected to run between New York and Washington without any change whatever, using locomotive power by the new road built under the northern limits of the city of Philadelphia, between Kensington and Gray's Ferry.

The passengers and mails from Washington connecting in New York for points North or East, will leave Washington at 3 p. m., but all New York travel proper can take the sleeping cars at 8:30 p. m. here, and reach New York in ten hours precisely, without interruption or change.

The Baltimore and Ohio line adds another passenger train between Washington and Baltimore for the benefit of Government clerks, Congressmen, and others, who will lodge in Baltimore by moving to and from Washington, to suit business hours here. This is expected to relieve through travel trains also.

The double tracks between this city and Baltimore, as well as between the Susquehanna and Philadelphia, and also near Trenton, are all being rapidly completed, and sections of them will be put in use at once.

The Baltimore and Ohio company also improves its schedule for Western passenger trains from Washington and Baltimore, to meet the demands of increased travel, the route now being regarded as perfectly safe.

CORRECTION.—Our attention has been called to an error which occurs in the letter from Matamoros, published by us a day or two since, in which the writer is made to say that the British officers who boarded his vessel at the mouth of the Rio Grande, were "hostile." This is an error of the printer, for "hostile" read "polite."

Sixteen Rebels Captured at Yorktown.

RELIEF SENT TO OUR PRISONERS.

Items from the Richmond Examiner.

FOURTEEN MONROE, Nov. 20.—Sixteen rebel prisoners arrived here last night on the steamer Thomas A. Morgan, from Yorktown.

They were captured in Matthews county, and stated that they were stationed there by the rebel authorities to prevent smuggling. (Doubted.)

The steamer Conroy, Capt. Bochner, arrived today noon, from City Point—Coloured Irving having satisfactorily transferred all the Government rations and provisions from the Baltimore American relief fund, for Federal prisoners in and about Richmond, to Commissioner Ould.

The Richmond Examiner, of November 19th, says 700 more of the Federal prisoners have been sent from Richmond to Salisbury. The same paper has the following:

Northern Virginia.

We have vague and general reports that Meade is moving up the Rapidan. A skirmish took place Sunday morning at Morton Ford.

The Trade of England With the Rebel Confederacy.

We give below two more of the letters intercepted on board the "Ella and Annie," blockade runner, recently captured:

MIL. OLCOTT TO BARNHAM & CO.,

LONDON, Sept. 21, 1863.

GENT: I wrote you, 21st ult., per hands of Col. Walker, of Charleston, and on the 5th instant sent duplicate to care of Johnstone & Bro., Nassau. As they may not reach you, I give you in part some of their items. As soon after my arrival here as possible your exchange was collected and placed to my credit at London Joint Stock Bank. The last advice from Nassau were then so unfavorable as to shipping for sale there, or to be forwarded to the States, (I mean from Nassau) that owing to the yellow fever few steamers came there, and little or no demand for goods, and having no acquaintance in Bermuda, where the trade then was, I had £1,000 of your funds placed on deposit at 4 per cent, until an improvement in affairs.

I expected to have made my shipments directly by two steamers that on my arrival the agents of one of the Virginia Importing Co. were negotiating for, and hoped to have ready in a few weeks, and who promised me freight, but they did not secure them, and I decided to defer purchasing. The goods they had purchased and being shipped to Bermuda, and one of the agents goes by steamer to dispose of them there, or forward as may be best. They are friends of mine and have offered to assist me in my efforts to get the advantage of shipping under their freight contract. I have shipped for you six cases of assorted goods—all that could be got ready in the limited time I had. They are all marked "M. O. C." and are consigned to Bermuda to order of P. C. Williams, who will forward or dispose of them there, as condition of things may best warrant. I know Mr. W. in the States, and a practical business man, and enjoys the confidence of all who know him.

The goods for you are of different character to those he has for the Commissioners, and will not, therefore, interfere. The contents of each case are 15 gross playing cards of two qualities, cost £22 17s. 6d.; 3 gross pocket spring balistons, cost £24 18s.; 125 M envelopes, assorted, cost £22 18s.; 114 gross memorandum books, black, cost £22 18s.;
